

**CITY OF UKIAH
RESOLUTION 2019-04-02-#2**

**RESOLUTION ESTABLISHING FEE FOR WASTEWATER DISCHARGE BY
PRIVATE CONTRACTORS**

WHEREAS, the City of Ukiah has established a fee for the discharge by private contractors of wastewater in the City's sewer lagoons; and

WHEREAS, the City now finds that revisions must be made to the fee schedule; and

WHEREAS, the city will allow private wastewater contractors to discharge at this rate as long as it does not impact the City's residential use; and

WHEREAS, the City will also only accept wastewater discharge during the period of the irrigation schedule of April 1st through October 31st; and

WHEREAS, private wastewater contractors must have screens that stop objects such as cans, diapers, rocks, etc. to be discarded in their own garbage cans.

NOW THEREFORE BE IT HEREBY RESOLVED that the City Council of the City of Ukiah adopts the schedule of **fifteen cents per gallon of wastewater discharge from private contractors into the city sewer lagoons.**

PASSED AND ADOPTED 2nd Day of April 2019.

Clint Barber, Mayor
